## Volunteer

*Volunteer your time or resources to help Furry Friends. There are many ways you can help homeless cats outside of adoption.*

**Foster Care** allows us to save a greater number of cats. Get your kitty fix by welcoming a cat or litter of kittens into your home for a few weeks or a few months.

**Shifts at the Halfway House** last about two hours or so once a week. Typical duties include feeding, watering, cleaning and playing with kitties.

**Fundraising Events** are vital to our mission. We need volunteers to be at the table or booth for our fundraising events.

**Adoption Events** are a great way for the public to meet the cats. Volunteers are needed to educate the public on being a responsible cat owner, and to help with transporting cats and setting up.
